

Fluid metering solutions made simple

05/05/2023

I hereby declare that all of our products are compliant with California Prop 65 regulations. This means that we have taken all necessary steps to ensure that none of the chemicals listed by Prop 65 are present in our products.

We understand the importance of consumer safety and have implemented stringent manufacturing and production processes to ensure that our products meet or exceed all applicable regulatory requirements. Our commitment to Prop 65 compliance demonstrates our dedication to providing safe and reliable products to our customers, not just in California but throughout the world.
